## FREQUENTLY ASKED QUESTIONS

**1. Is coverage under this policy extended to independent contractors (non-employees) working on behalf of the health club?**

Independent contractors (non-employees) are covered only if the optional coverage available with this program is purchased. If this optional coverage is not purchased, as a health club owner, you need to require that all independent contractors (non-employees) working at your location(s) obtain professional liability coverage and name your business as an additional insured to their instructor policy and submit proof of this coverage to you.

**2. Do I have coverage for virtual training?**

Coverage does extend to incidental virtual training provided by you (the named insured) to your clients/members. The policy is intended to extend bodily injury coverage for training available to your clients/members only (through a private platform such as a password protected website or a closed Facebook group) - Coverage does not extend to any training material that is accessible to the general public.

Reasonable precautions should be taken when assessing potential new clients/members online, including but not limited to: health assessments, waivers/release forms, and interviews prior to instruction or training. We encourage you to consult with an attorney to consider special waiver/release agreements that will apply specifically to virtual training.

Virtual training/instruction does not extend to any training/instruction that includes gymnastic

apparatuses, tumbling, or stunting (including pyramids), or in-water activities. We do not provide coverage for cyber liability, so if you are taking payment or collecting personal information online and it is compromised, there would be no coverage under the general liability policy.

**3. I have been asked by my landlord to add them as an additional insured to my policy. What does this mean and how do I do that?**

An additional insured is a person or organization not automatically included as an insured under an insurance policy, but who is included or added as an insured under the policy at the request of the named insured. By providing an entity additional insured status, it now is entitled to defense and indemnity (if policy limits have not been exhausted) under your policy with no responsibility for premium payments. You can add an entity as an additional insured under the certificate request section of the enrollment form. Please provide their complete name, address, and relationship to you. All requests must be made in writing.

**4. Will we receive a policy after submitting the enrollment form?**

No. You will receive a certificate of insurance as proof of coverage. By applying for this insurance, you are applying for membership in the Sports, Leisure and Entertainment Risk Purchasing Group (RPG), a group formed and operating pursuant to the Liability Risk Retention Act of 1986 (15 USC 3901 et seq.). Coverage is offered exclusively through the Sports, Leisure and Entertainment Risk Purchasing Group (RPG). The RPG receives a master policy from the insurance company. Submission of this enrollment form confirms your desire to receive coverage through the RPG. Each member receives their own certificate of insurance as evidence of coverage. The limits of insurance apply individually to each insured member organization - there are no shared limits of liability with any other members. For a copy of the RPG master policy, please submit your request in writing to: K&K Insurance Group, Inc., P.O. Box 2338, Fort Wayne, IN 46801-2338.
