This application is signed by undersigned authorized agent of the organization(s) on behalf of the organization(s) and its, directors, officers, and employees.

I understand that K&K Insurance Group, Inc., for the insuring company, shall be permitted but not obligated to inspect a proposed insured's, or an insured's, property and operations for underwriting purposes at any time. Neither the right to make an underwriting inspection nor the making thereof nor any report thereon shall constitute an undertaking, on behalf of or for the benefit of any insured, or other, to determine or warrant that such property or operations are safe or healthful, or in compliance with any standards, rules or regulations. Underwriting inspections when conducted are for the sole purpose of determining and/or improving the insurability of certain property and operations and not safety. I also understand that an insured is solely responsible for the safety of its facilities and operations and shall not rely upon any underwriting inspections to determine the safety of its facilities or operations and shall not diminish or forego its own safety practices and procedures.

I understand that the insurance company in determining whether to provide a quotation for insurance coverage will rely on the information contained in the application and all other information being submitted. I hereby warrant, represent and confirm that, to the best of my knowledge, all information provided is complete, true and correct.

I also understand that no insurance will be in effect unless and until the insurance company, or K&K as its agent, provides a quotation offering to provide insurance coverage and the insurance company, or K&K as its agent, receives written notice that the terms and conditions contained in the insurance quotation provided are accepted.

I agree that my electronic signature is the legally binding equivalent to my handwritten signature. I will not, at any time in the future, repudiate the meaning of my electronic signature or claim that my electronic signature is not legally binding.
